Dear Mr. Pudelko:

As you know, all districts are required to provide Aid-in-Lieu (AIL) payments to parents/guardians of eligible nonpublic students. Currently, B6Ts from your district are forwarded to GCSSSD each year to be placed in a bid in accordance with NJ State regulations. GCSSSD then provides you with a list of students who are eligible to receive AIL payments from your district. However, there are additional steps that your district must take, including contacting each nonpublic school twice yearly to confirm continuing student attendance, in order to provide these payments.

GCSSSD will again provide this service to districts at a yearly cost of \$2.50 per eligible nonpublic student. Your district will send us your nonpublic B6Ts (as you do now) and GCSSSD will take care of all the remaining contacts and paperwork required by the state in order for you to provide AIL checks. A list of students eligible for AIL payments will be provided to you twice yearly. The attached Guidelines contain additional information and procedures about this program.

Enclosed are two copies of a 2014-2015 Contract for Participation in GCSSSD's Nonpublic Aid-in-Lieu Program as well as a copy of the 2014-2015 Nonpublic Aid-in-Lieu Program Guidelines.

Please present the enclosed contract to your Board for approval. Sign each copy (original signatures required), affix your Board seal, and return both copies to GCSSSD by May 16, 2014. We will return a fully executed copy to you as soon as they are completed.

Please let me know if you have any questions or concerns. We look forward to serving your district in the 2014-2015 school year.

Sincerely,

Diane Gormley
Director of County Services – Transportation
