Subject: NJEA 2K grant: Sustainable Jersey for Schools Small Grant Award Brunch

Congratulations! We are pleased to inform you that Dorothy L. Bullock School has been selected to receive a 2016 Sustainable Jersey for Schools Small Grant in the amount of \$2,000.

Grant recipients will be publicly announced at an event on Thursday, February 2, 2017. ***Please do not share information about your award until after February 2nd.***

Sustainable Jersey for Schools Small Grants Award Brunch

Sustainable Jersey for Schools and NJEA invite **up to three** representatives from your district or school to attend the grant awards brunch. We encourage you to reach out to green team members, administration and local union representatives to attend and celebrate your grant award. The event will last approximately two hours. It will include brunch, a short program, the distribution of grant award checks and the opportunity for your school to have a picture taken with the program sponsor. The picture, along with a customizable media release template, will be emailed to you by Tuesday, February 7th.

Announcement Event:

Date: Thursday, February 2nd from 11:00am- 1:00pm

Location: NJEA Headquarters, 180 West State Street, Trenton, NJ 08607

Please confirm who will be attending from your district or school by Monday, January 23rd, using the link below. We encourage you to invite members of your green team and local union representative.
