MEMO

Date: October 10, 2017
To: Dr. Mark Silverstein, Superintendent of Schools
From: Danielle M. Sochor, Chief Academic Officer
Re: 2017-2018 Curriculum
October 18, 2017 Board Meeting

Recommend Board approval for the following revised curricula listed below for the 2017-2018 school year. The curricula was revised to reflect the New Jersey Student Learning Standards. Please refer to the PowerPoint presentation which highlights all the new components included in the new curricula.

Grades K-12 English Language Arts

Grades K-12 Mathematics

Please see the items below that are included in the revised curriculum.

- Interdisciplinary connections through the K-12 curriculum
- Integration of 21st century themes, skills, and technology
- Pacing Guides
- Instructional Texts
- Benchmark Assessments
- Modifications for Special Education, English Language Learners, and At Risk Students
- Accommodations for gifted students
