

Curriculum Committee Mission Statements 2019-2020

ELL Curriculum Committee:

The mission of the Bilingual Parent Advisory Committee is to prepare all of our students to meet the challenges of a rapidly changing, technology oriented, and diverse society. We want to ensure that linguistically diverse students have equal status and access to quality education. We will continually strive for excellence in all aspects of the education process and teach our students to understand and appreciate human and cultural diversity. We will use the resources of the entire community, including students, parents, teachers, staff, administrators, and business leaders. We will encourage students to be lifelong learners, to demonstrate high achievement, and to develop the skills and characteristics needed to enjoy happy and successful lives.

The goals for 2019-2020 school year:

1. To encourage parental involvement in the education of their children.
2. To serve as a liaison between the school district, the parents, and general community.
3. To inform parents about the advantages of bilingual and ESL education.
4. To participate as volunteers in school events and provide assistance with translations.
5. To review bilingual plans, grants, and provide suggestions for improvement.
6. To assist in the organization of workshops for parents and attend workshop sessions pertinent to "Effective Parenting."
7. To create programs and or funding awards and scholarships to reward bilingual and ESL students who are meritorious and/or high achievers.

Music Curriculum Committee:

The goal of the Glassboro Public Schools District Music Committee is to work collaboratively to improve student achievement, increase student participation in musical ensembles and promote our school music programs.

Objective 1: To align curriculum and instruction programs through collaborations: Side-by-side performances/District Concerts, Observations of colleagues and master classes

Objective 2: To participate in professional development activities related to our content areas and specialties; both in and out of the district.

Objective 3: To actively recruit students into musical ensembles as well as music electives through providing varied and rewarding musical experiences which are educational, motivational and challenging.

Science Fair Committee:

This year's committee goal is to foster lifelong scientific inquiry in students.

Three objectives that will help achieve the above goal are:

- 1- Students will identify a topic of interest and develop a model explaining this topic/concept.
- 2- Students will develop an investigation into that topic that will help them to better understand the underlying concept.
- 3- The committee will continue to maintain a Science Fair webpage to lend assistance to students in the process.

Nurses Curriculum Committee:

The mission of the committee is to continue to provide high quality nursing care, with an increased cultural sensitivity awareness, as we work to support the physical and social-emotional, and emergency needs of our school community and to ensure their ongoing health and safety in our schools.

District Nurse Goals 2019-2020

To employ social emotional learning strategies, though use of social awareness and interpersonal skills in our every day dealings with our students, and our community, in order to establish and maintain positive relationships with the ultimate goal of helping students achieve optimal confidence and academic success.

To maintain current knowledge on procedures and state mandates related to acute emergency situations, including sudden cardiac arrest, opioid overdose, mass casualty and trauma situations, in order to act promptly, efficiently and with optimal chance for positive outcome.

To continue to educate staff participants for their roles in responding to acute emergency situations in order to increase their knowledge base, comfort levels, and ability to effectively participate in school medical emergencies.

Technology Curriculum Committee:

The mission of Glassboro Public School District Educational Technology Committee is to provide our students with learning opportunities that are enhanced by technology integration and reflect authentic college and career experiences. Blended learning will be optimized through Professional Development of our teachers, deliberate selection of goals and digital tools, and evaluation of research-based programs that will benefit our learners.
