Recommend approval to increase the lunch price \$0.10 for the 2019-20 school year based on the USDA School Year 2019-20 Lunch Price Calculator.

Informational: Based on the USDA School Year 2019-20 Lunch Price Calculator the weighted average lunch price for 2019-20 needs to increase \$0.35. However, the maximum increase per year is \$0.10. Our current lunch prices are:

Elementary	\$2.50
Middle School	\$2.70
High School	\$2.85

A ten cent increase equates to a 4% increase across all grade levels, consistent with last years increase.
