Board Action Requested:

Beginning in the 2020-2021 school year, Chain Crew Members will receive a five dollars (\$5) rate increase. The increase matches the pay of the position to all other existing support staff stipends (\$50). This will save the district ten dollars (\$10) per person as an outside crew cost of \$60 per person (min of three needed per event). Currently, we must outsource chain crews due to the difference in pay. In addition, the official's associations is asking schools to change schedules who don't have their own crews due to a shortage of staff and event conflicts.
