Re: Resolution – GEA/GESPA Contract sidebar agreement

Recommend the board approve the attached sidebar agreements for the summer of 2021 for contracts in place with:

- GEA – This sidebar provides details of Secretarial summer work hours for 2021.
- GESPA – This sidebar provides details of Maintenance, Grounds and Custodian summer work hours for 2021.

There are no changes from the sidebar agreement approved for the summer of 2020.
