Re: Action Memo
June 17, 2021 Board Meeting

Requesting Board approval to develop curriculum from July 1-October 31, 2021 at the current miscellaneous pay rate of \$37.00 per hour. For this summer, funds will be pulled from CARES/ESSER I. Our curriculum is due for minor updates this summer, including 21st century standards, and alignment of new frameworks in science (including writing new advanced level science courses at the middle school level), visual and performing arts and computers and ELA and Social Studies.

Curricular updates can also introduce important new content and may also introduce pedagogical enhancements that can improve the quality of learning.

Assignment of staff to be determined at a later time.

Name(s)	Subject	Hours
