Re: Board of Education Action Item - September 21, 2022

Request board approval for the updated Glassboro Public School District Virtual and Remote Instructional Program. P.L. 2020, c.27, also known as Chapter 27, states that schools are required to provide continuity of instruction in the event of a public-health related district closure. Each school district, charter school, renaissance school project, and Approved Private School for Students with Disabilities (APSSDs) must annually submit its proposed program for virtual or remote instruction to the New Jersey Commissioner of Education.
