Safety Grant Program Application – 2025

Safety Grant allotments are a direct result of NJSIG's Underwriting Surplus for the previous program year. Grant disbursements will take place during the Fall of the application year. Grant applications must be completed by 11:59PM EDT on Sunday, June 1, 2025

 Please provide an overall outline of your project(s) for conceptualizing the planned use of funds. This narrative should illustrate the intention of the project(s). Be sure to include project goals, project implementations, how your project(s) will enhance safety, and estimated start and completion dates.

Project Description

The district plans to utilize Safety Grant funds to purchase and install additional security cameras across multiple school facilities. The goal of this project is to expand surveillance coverage, deter unauthorized activities, and enhance real-time monitoring capabilities to improve student and staff safety. Implementation will involve identifying high-priority areas lacking adequate coverage, coordinating with our security vendor for installation, and integrating the new cameras into the district's existing monitoring system. The project is scheduled to begin in July 2025 and conclude by October 2025.
