Based on 40 weeks (144 days) of school—current student enrollment 13

Teacher salaries—\$112,560 Admin salaries-- \$29,808 Counselor salaries-- \$13,760 Grand total \$156,128

3 General Education Teachers on per night for 4 hours each

1 Special Education Teacher on per night for 4 hours

1 Work Study/Job Coach 1 night per week for a maximum of 4 hours

If we needed to add an additional teacher for Middle School Students it would be 144 days (days left in the year) 4 hours @\$42 per hours (this is not included in the above total as we are not starting out with Middle School Students but did last year)

Positives:

Support GHS discipline code

Keep students in district that would otherwise have been placed out of district

Concerns:

Staffing we have had some issues increasing staff when the student enrollment increases throughout the school year.
