Board Action Requested:

Recommend a retroactive stipend for Ms. Guiliani for teaching three preps for the second semester. This was done to cover for a faculty member who went out on leave.

Positives:

Concerns:

Due to contractual wording and the constraints of the current schedule, I am limited in regard to course offerings.

Other Comments:

Aleida DeColli is currently an MD Teacher at the High School and is teaching more than three preps. Last year this was the same case, but she did not receive the stipend due to confusion regarding her status as a high school teacher. Due to her contract stating she is a high school teacher, and her being assigned to the high school where her classroom resides and teaching high school age students, she is entitled to the stipend as per the contract. Note - Due to our current schedule at GHS and the wording of the contract, the MD teacher at GHS will receive a stipend of \$500 per semester annually.
