Board Action Requested:

Board Resolution to increase the current AEHS staffing budget by 4hours per week for the remainder of the school year.

Details and ramifications:

Due to an increase in AEHS enrollment in the recent months, there is a need for more staffing for students to receive the necessary assistance in subject specific disciplines as well as guidance to keep them on track for the established pacing and goals.

Positives:

By adding 4 hours a week it will allow the classes to remain smaller and give each student the guidance they need to be successful and transition back to the more traditional day school program.

Since AEHS staff does not work 4 hours every night, we can supplement these additional hours with current staff who are already familiar with the program, students and our goals.
