### Board Action Requested:

Request the approval of one security guard for the AEHS program – Monday thru Thursday for 4.5 hours each night. This position is due to an increase in students and an expected increase in student enrollment moving forward. This position will also aid in front door responsibilities as well.

**Details and ramifications:** Due to an increase in students and an expected additional increase in students the AEHS program we need to be able to provide additional support while students are in the classroom as well as outside the room. The hallways, bathrooms, transition to gym and lunch. We could also use the assistance with the front door, as we need to be present in the rooms to handle issues or may need to step away to make phone calls. This will help meet the needs of the students and staff to be able to run the program efficiently.

Additional Cost:

### Positives:

Support GHS discipline code

Keep students in district that may have been placed out of district

### Concerns:

Increased students without additional staff will lead to more discipline problems and less instruction.
