Board Action Requested:

Request the approval of an additional teacher Monday – Thursday for 4 hours each night. This increase in hours is due to an increase in student enrollment. We are currently expecting up to 10 additional students in the near future.

Details and ramifications: Due to an increase in students and an expect additional increase in students the AEHS program will need to separate the students into an additional classroom. This will help meet the needs of the students and help separate student that can not be in the same room due to discipline issues. This will require more staff members.

Additional Cost:

75 days * 4 Hours *\$40 = \$12,000

Positives:

Support GHS discipline code
Keep students in district that may have been placed out of district

Concerns:

Increased students without additional staff will lead to more discipline problems and less instruction.

Other Comments:

If we have additional students from the Bowe School we may need to hire additional staff to meet the needs of those students.
