Board Action Requested:

Request the approval of all teaching staff from GHS and Bowe to be substitute/teachers on an as needed basis Monday – Thursday for the AEHS Program.

Details and ramifications: Due to an increase in students and an expect additional increase in students the AEHS program is growing and will need to have staff available to help when needed. This will allow daytime staff to work in the AEHS program.

Positives:

Support GHS discipline code

Keep students in district that may have been placed out of district

Concerns:

Increased students without additional staff will lead to more discipline problems and less instruction.
