Board Action Requested:

I am seeking board approval for the required events which the music teachers must participate in order for our GHS students to participate in the All SJ, All State and other regional honors bands/orchestras and choirs. Per the GSA contract, the directors are paid an hourly rate for involvement at these events. The number of events which are attended depends upon the ability and availability of students to audition. Please see the attached for a detailed listing of required events and an estimation of hours for each.

Details and ramifications:

All SJ and All State Band and Orchestra Auditions, All SJ and All State Chorus
Attendance at some chorus rehearsals is required of the directors of choir members
Regional and All State Jazz Ensemble Auditions
Olympic Conference Honors Band Auditions

Positives: Students are exposed to the most elite musicians in the county, region and the State and this exposure and the accolades earned assist them in their academic endeavors.
