Board Action Requested:

Request approval of an additional 4.5 hour bus route to transport a student from Voorhees Pediatric Center in Voorhees to HollyDell School in Sewell based on IEP transportation requirements.

Details and ramifications:

This would be a 4.5 hour per day run for a driver and a 4 hour per day run for an aide in a wheel chair capable bus.

Positives:

By adding this route it would result in a substantial savings to the district as opposed to the quotes received.

Concerns: As with any out of district run, you run the risk of a breakdown while the bus is out of district. This has only happened a few times in the past 2 years so it doesn't seem to be a substantial risk.
