My staff is there until 6:00 pm so I am fine with it. They do however need to fill out a new facility usage request form since the only one on file is inaccurate. They also must stick to the requested time.

Dr. Silverstein,

I am requesting to amend the request to use the Bullock School gymnasium for girls basketball summer workouts. This request was approved at last month's BOE meeting. Since the Bullock School is not available (originally approved by Mr. Taibi), I am requesting that the girls basketball program use the Intermediate School on Wednesdays from 3pm to 5pm. Today, I spoke with Mr. Matthews and he gave me approval to use the gymnasium starting on July 13th. Should I complete a new BOE recommendation or can I inform the girls basketball coaches that they can use the Intermediate School gymnasium. I look forward to your response.
Jeff
