Board Action Requested:

Recommend approval to amend Arielle Visalli as assistant softball coach for the 2019-2020 school year from Step 1 to Step 2 for \$3,828.00. She has high school playing experience and is our head field hockey coach.

Details and ramifications

She was an assistant track coach at step 1 last year. She wants to switch over to coach softball this year because we have a need for a softball coach. The step 2 stipend for track is the same as the step 2 softball position, so the funds were budgeted. I feel the increase in step is warranted in this situation.

Positives:

As a teacher at the high school, she would be available to recruit students to participate and increase our participation numbers in the program.
