Board Action Requested:

Recommend ratification of Linda Massari as assistant to the head indoor track coach for away indoor track & field events during the 2020 track season.

Details and ramifications

The assistant track coaching position is vacant, and we have not been able to fill the position. Mrs. Massari has agreed to assist the Head Coach during away all-day weekend athletic events by supervising students during the indoor track event. The indoor track consist of 50 students and the head coach needs help supervising the students, especially if a student were to be injured during the meet and needs to be taken to the hospital.

Positives: The head coach will be able to focus on providing our student-athletes with instruction, encouragement and/or advise during the meet without worries of supervision responsibilities of other students who are not currently competing.

Concerns: If we do not have an assistant coach/supervisor and a student is injured, the head coach would have to take the entire team to the hospital. Those students would not be able to continue to compete.

Other Comments:

Total number of events scheduled is 7. Dates are as follows: Jan. 11th, 18th, Feb. 3rd, 17th, 23rd, 29th, and March 7th.
