Board Action Requested:

Recommend approval of Arielle Visalli as assistant track and field coach for the 2018-19 school year at step=1, \$3,138.00. Ms. Visalli has experience as high school and a college athlete and has expressed interest in getting involved with our student's education outside of the classroom.

Details and ramifications:

The track and field teams (boys & girls) are in need of additional coaches to provide coaching for the variety of techniques involved with the wide variety of events in the sport. The softball program is not using their third coaching position, so I am recommending that the district hire a 3rd track assistant coach. The stipends are the same for each position and will not cost the district an increase in funds.

Positives:

- 1- Softball program will not be compromised by this recommendation.
- 2- The track and field athletes (60+ participants) will receive additional coaching and supervision.

Concerns:

She will need to complete Heat Acclimatization, Concussion Management and CPR certification prior to starting as a coach.

Other Comments:

Since the Assistant Softball Coach position is not being utilized, the district can assign the vacant position to Track & Field. This has been done in the past with the football program transferring a jv assistant coaching position to a varsity assistant coach position. The cost is already included in the 2018-2019 budget.
