Mr. Scott Henry, School Business Administrator/Board Secretary
Glassboro Public Schools
560 Joseph Bowe Boulevard
Glassboro, New Jersey 08028

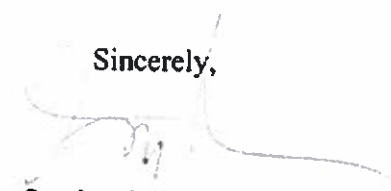

Dear Mr. Henry:

Thank you for your recent letter and resolution supporting the installation of carbon monoxide detecting devices in schools that maintain fuel burning furnaces.

The Glassboro Board of Education is to be commended for recognizing and encouraging the safety of employees and students alike when carbon monoxide may be detected. It is incumbent upon elected officials to take into consideration the many hazards that we all can be exposed to every day.

Once again, I want to thank the Glassboro Board of Education for their due diligence and for bringing this matter to my attention.

Sincerely,

Stephen M. Sweeney
Senate President
