Recommend approval to combine the existing 4.5 hour run to Bankbridge North School for 3 students and the existing 4.5 hour run to Bankbridge South school for 8 students into one (1) 5 hour run.

This run was initially split due to personalities of some of the students. This is no longer a concern. With a driver out on a medical for 7 months we were able to combine these 2 runs and it worked very well.

***After runs are chosen based on seniority, I will submit to approve the driver for benefits.**

Positives: Changing this to a 5 hour run would correctly reflect the actual time it takes to complete the morning and afternoon runs and would free up a driver to cover other vacancies.
