Check references/review district personnel file?

 No Yes

Board approve upgrade of Barracuda Backup Appliance (\$20,734.77), Barracuda CloudGen Firewall UTM (\$7,945.23) and Barracuda Advanced Remote Access Subscription for SSL VPN (\$2,533.54) paid annually at \$31,213.54 (combined total). These products provide backup services for servers and shared drives, network security via firewall and filtering and remote access via SSL VPN. This product does spam filtering on email and archives all email for compliance with retention requirements.

NOTES:

These Cloud applications will upgrade our existing Barracuda Backup appliance, Firewall Appliance and Web Filter Appliance as well as provide a secured virtual private network access to network resources when working.

Positives

Next Gen upgrade path for existing equipment. Provides cloud-based access to enhance/maintain security for devices working remotely and off network

Concerns:

Other Comments:

CARES Grant will be used for 1st year payment. Original Funding was approved through OP/EX budget.
