Reason

Geographic Location

Detailed Explanation

Our Spanish speaking ELL s live in a suburban area of Glassboro and attend a total of five schools. It is not logistically feasible to consolidate to a magnet program. Our Spanish speaking ELL s range from grades K-12. The district has five schools geographically spread out throughout the community, the highest student population at Bullock school. As a result, we are establishing a bilingual program at grades 1-2 to best service the highest student need.

Reason

Grade Span

Detailed Explanation

The program information reflects the enrollment projections for Spanish speaking students for the 2015-2016 school year. As of today, the next school year indicates there will be 30 students at the Bullock school, grades 1-3, 15 students at the Bowe school, grades 4-6, one student at Glassboro Intermediate School, grades 7-8, and 6 students at Glassboro High School, grades 9-12. We do not know how many students will be entering Kindergarten at the J Harvey Rogers school, however we have 10 students from pre-school.

Reason

Age

Detailed Explanation

Our Spanish speaking ELL's range in age from 5-17. It would be impractical to have a full time Bilingual program in each school due to the age range of 5-17 and to keep all students in one class.
