Geographic Location

Detailed Explanation

Our Spanish-speaking ELLs live in an suburban area of Glassboro and attend a total of five schools. It is not financially feasible to consolidate to a magnet program. They range from grades K-11. The district has five schools spread out throughout the Borough.

Grade Span

Detailed Explanation

The program information reflects the enrollment projections for Spanish speaking students for the 2015-2016 school year. As of today, the next year indicates 43 students at the Bullock school grades 1-3, 19 students at the Bowe school grades 4-6, 3 students at the Intermediate school grades 7-8, 9 students at the High school grades 9-12. We do not know how many students will be entering Kindergarten at the J. Harvey Rogers school. However, we expect 12-14 students coming from Preschool.

Age

Detailed Explanation

Our Spanish speaking ELLs range from ages 5-19. It would be impractical to have a full-time Bilingual Program in each school and due to the age range 5-19 to have all of the students in one class.

Part C

Part C is not applicable because a Sheltered Instruction Program was not submitted.
