We will be participating in the following activities:

- **2015 African American Read-in:** This will take place on Monday, February 23rd. Parents & community members will be invited into Bullock to act as guest readers, focusing on texts written by African American authors.
- **Musician of the Week:** We will be focusing on some famous African American musicians each Friday during AM announcements. This will include some music and a brief biography.

Throughout the month I will be asking teachers to share what is being done in specific rooms & what texts are being utilized as well. This will be included on my February Building Report.
