### Board Action Requested:

It is requested that the board approves Judee Tamaska, part-time nurse at the Dorothy L. Bullock School, to be paid for additional hours as needed for the 24- 25 school year to help support the nurse's office with number of students in the building.

### Details & Ramifications:

Judee Tamaska is needed to provide medical support in our nurse's office due to the increase in our student population. Additional support is needed to ensure all students are cared for appropriately. This money would be taken from Title funds (as done in previous years) and the pay rate would be \$42 per hour.
