July 25, 2018 Board Meeting

Requesting the Board approve Andrea Foglietta as a BCaBA (Board Certified Assistant Behavioral Analyst) to service our MD students at the Rodgers and Bullock School at the stipend rate of \$5,000.00 from September-January 2019. Funding provided through district funds and this was budgeted for 2018-2019 school year. The district currently has four MD programs at the elementary level and this will allow her to service our programs as a consultant. She will provide applied behavior analysis therapy to individuals and is trained to provide and supervise behavior analysis. Her scope of work will include the following listed below:

- Looking over the data to maintain the books
- Program consulting
- Conferencing about student behaviors goals and the program in general
- Creating supports and adaptations for students
- Reviewing VBMAPP Testing
- Staff training
- Student behavioral data
