

AEHS
January 2022
Denise Barr, Principal
Rob Hemmes, Vice Principal

INSTRUCTION / STUDENT NOTES:

- As of January 31, 2022 there are thirteen students attending AEHS. Two have IEP's, and five are attending day and evening courses to be able to graduate on time,
- Students have been enrolled in courses in APEX.
- Powerschool system still seems to not perfectly align. There is a meeting scheduled with Dr. Preson, Dr. Stowman, Erin Williams, Denise Barr and Rob Hemmes to try and correct these problems
- Transportation has been able to arrange pick up for our students, they are arriving by 3:35. We are still hopeful that as this district wide issue gets resolved this time will get closer to 3pm.

FACILITIES:

We have been trying to keep AEHS students in 1 classroom for the academic portion of their evening and the gymnasium for their physical education course. As our numbers increase we may need to expand to a 2nd classroom. With the current day school schedule and adjusted basketball practice schedule, we have been able to continue to use the gym and have divided our growing numbers between the gym and the weight room. Students seem to enjoy the variety of activities and the change of space. We will continue to communicate with GHS custodial staff and Mr. Booth in regard to changes to our schedule.
