INSTRUCTION / STUDENT NOTES:

- As of February 28, 2022 there are twenty-two students enrolled in AEHS. Nine have IEP's, and eight are attending day and evening courses to be able to graduate on time,
- Students have been enrolled in courses in APEX.
- Dr. Preston, Erin Williams and Denis Barr met this month to put a plan in place regarding getting the courses set up in Powerschool system. On 2/8 a course list and schedule was emailed to Ms. Williams and again on 2/23. Courses still are not set up in Powerschool to enroll the AEHS student in.
- Transportation has been able to arrange pick up for our students, they are arriving by 3:35. We are still hopeful that as this district wide issue gets resolved this time will get closer to 3pm.
- Due to increase this month and the anticipated increase in the near future, a request has been made to increase staff as well as the number of APEX licenses

FACILITIES:

Due to the rising numbers of students, we have been utilizing 2 classrooms and anticipate needing to expand to 3 or 4 in the upcoming weeks. With the current day school schedule and adjusted basketball practice schedule, we have been able to continue to use the gym and have divided our growing numbers between the gym and the weight room. Students seem to enjoy the variety of activities and the change of space. We will continue to communicate with GHS custodial staff and Mr. Booth in regard to changes to our schedule.
