INSTRUCTION / STUDENT NOTES:

- As of April 30, 2022 there are twenty-three students enrolled in AEHS. Eight have IEP's, and six are attending day and evening courses to be able to graduate on time, one is from Intermediate school. 1 student transferred out this month and 1 returned to Intermediates school
- Students have been enrolled in courses in APEX.
- Most courses seem to be set up in Powerschool except for recently new transfers in needing courses not already established.
- Transportation has been able to arrange pick up for our students, they seem to be arriving later now that the number of students has increased, arriving by 3:45. We are still hopeful that as this district wide issue gets resolved this time will get closer to 3pm.
- We have increased our staff and APEX licenses to accommodate the increase in the number of students

FACILITIES:

Due to the rising numbers of students, we have been utilizing 3 classrooms. We will continue to communicate with GHS custodial staff and Mr. Booth regarding changes to our schedule.
