INSTRUCTION / STUDENT NOTES:

- As of May 31, 2022 there are twenty-six students enrolled in AEHS. Seven have IEP's, and five are attending day and evening courses to be able to graduate on time, one is from Intermediate school. Two new students will remain on their day school teacher rosters as the days of AEHS are so short they couldn't possibly pass any course work.
- Students have been enrolled in courses in APEX.
- Most courses seem to be set up in Powerschool except for recently new transfers in needing courses not already established.
- Transportation has been able to arrange pick up for our students, they seem to be arriving later now that the number of students has increased, arriving by 3:45. We are still hopeful that as this district wide issue gets resolved this time will get closer to 3pm.
- We have increased our staff and APEX licenses to accommodate the increase in the number of students

FACILITIES:

Due to the rising numbers of students, we have been utilizing 2 classrooms. We will continue to communicate with GHS custodial staff and Mr. Booth regarding changes to our schedule.
