INSTRUCTION / STUDENT NOTES:

- As of October 31, 2022 there are 19 students attending full time.
- We have 5 additional part-time students working on completing course work to help meet college and or graduation requirements.
- Students have been enrolled in courses in APEX and we are working on getting everything linked in PowerSchool
- Transportation has been a great help getting out students here on time and safely back home.
- To avoid contact between different groups of students we have adjusted our schedule to include two different lunches/Gym classes. This does not impact the student's time working on their academics.

FACILITIES:

We continue to communicate with our custodial staff regarding changes to our schedule as they might impact the custodial staff as our students increase.
