**INSTRUCTION / STUDENT NOTES:**

- As of October 31, 2022 there are 21 students attending full time not including 1 additional student placed with us for the next 1 to 2 weeks.
- We have 5 additional part-time students working on completing course work to help meet college and or graduation requirements.
- Students have been enrolled in courses in APEX and we have recently requested additional license as we have reached our maximum and are expecting more students in the program soon.
- Transportation has been a great help getting our students here on time and safely back home.
- To avoid contact between different groups of students we have adjusted our schedule to include two different lunches/Gym classes. This does not impact the student's time working on their academics.

**FACILITIES:**

Due to the rising numbers of students, we have been utilizing 3 classrooms and anticipate needing to expand to 4 in the upcoming weeks. With the beginning of basketball season AEHS student are using the weight room and cafeteria for their Gym Class. Students seem to enjoy the variety of activities and the change of location. We will continue to communicate with GHS custodial staff and Mr. Booth regarding any changes to our schedule.
