INSTRUCTION / STUDENT NOTES:

- As of December 31, 2022 there are 24 students attending full time with the possibility of several more adding. We are hoping several students will return to Day School this month.
- We have 5 additional part-time students working on completing course work to help meet college and or graduation requirements.
- Students have been enrolled in courses in APEX.
- Transportation has been a great help getting our students here on time and safely back home.
- To avoid contact between different groups of students we have adjusted our schedule to include two different lunches/Gym classes. This does not impact the student's time working on their academics.
- We are exploring new ways to enhance the AEHS program in the future and discussing new options with the GHS administration.
- Due to some life changes we are also in need of a Science Teacher and Spanish Teacher.

FACILITIES:

Due to the rising numbers of students, we have been utilizing 3 classrooms and anticipate needing to expand to 4 in the upcoming weeks. With the beginning of basketball season AEHS students are using the weight room and cafeteria for their Gym Class. Students seem to enjoy the variety of activities and the change of location. We will continue to communicate with GHS custodial staff and Mr. Booth regarding any changes to our schedule.
