INSTRUCTION / STUDENT NOTES:

- As of January 31, 2023 there are 24 students attending full time including an 8th grade student. We are currently expecting additional 7th/8th grade students in the next couple of weeks and at least one additional high school student this week.
- We have 5 additional part-time students working on completing course work to help meet college and or graduation requirements.
- Students have been enrolled in courses in APEX. We are looking into ways to begin with additional live instruction in the classroom.
- Transportation has been a great help getting our students here on time and safely back home.
- To avoid contact between different groups of students we have adjusted our schedule to include three different lunches/Gym classes. This does not impact the student's time working on their academics.
- We are exploring new ways to enhance the AEHS program in the future and continue discussing new options with the GHS administration.

FACILITIES:

Due to the rising numbers of students, we have been utilizing 5 classrooms. With the gym being used for basketball season, AEHS students are using the weight room and cafeteria for their Gym Class. Students seem to enjoy the variety of activities and the change of location. We will continue to communicate with GHS custodial staff and Mr. Booth regarding any changes to our schedule.
