INSTRUCTION / STUDENT NOTES:

- As of May 31, 2023 there are 27 students attending full time including 5 students from Bowe Middle School. We are currently expecting to have two more middle school starting the first week of April.
- We have 6 additional part-time students working on completing course work to help meet college and/or graduation requirements.
- Students have been enrolled in courses in APEX. We continue in looking into ways to begin with additional live instruction in the classroom. Some of our Middle School Staff are teaching their live students to the night school middle school students.
- We have begun looking at different ideas for schedules for next year's live instruction.
- Transportation has been a great help getting our students here on time and safely back home.
- To avoid contact between different groups of students we have adjusted our schedule to include three different lunches/Gym classes. This does not impact the student's time working on their academics.

FACILITIES:

Due to the rising numbers of students, we have been utilizing 5 classrooms. We will continue to communicate with GHS custodial staff and Mr. Booth regarding any changes to our schedule.
