INSTRUCTION / STUDENT NOTES:

- As of January 31, 2024 there are 18 students attending full time including 4 students from Bowe Middle School. We are anticipating at least 1 new Glassboro High School student and 2 new Bowe Middle School students starting in February.
- We continue to work on transitioning one of our Bowe Middle School Students back to Day School.
- We have two tuition students from out of district placements as part of the AEHS program.
- High Schools students this year have been participating in live instruction as we no longer use the Apex Online Learning Program. Students have been very receptive to the new style and have been active participants in the classroom.
- Transportation has been a great help getting our students here on time and safely back home.
- Students are currently taking all their major subjects including Math, Science, History, and English. Students are also taking a business elective.
- We are working with Mrs. Rynkiewicz on clearing several of our seniors using the Portfolio Process.

FACILITIES:

The GHS custodial staff and Mr. Booth have been a great support working around us and the additional classrooms we have been utilizing.
