

AEHS
November 30, 2024
Robert Hemmes, Principal
Susan Powers, Principal

INSTRUCTION / STUDENT NOTES:

- As of November 30, 2024 there are 16 students attending AEHS full time but continue to expect several more students within the next few weeks.
- We are expecting our first Middle School Student during the first week of December. This was included in the original budget numbers.
- We continue to meet on a monthly basis with the CST and High School Administration working to provide a smooth transition to and from the High School Program
- We are continue working on getting our students in classes in PowerSchool so parents and administration can see the most up to date information as in day school, currently they are only listed in a homeroom.
- Paper Report Cards are being mailed out to all parents to update them on attendance and grades.
- Transportation has been a great help getting our students here on time and safely back home.
- We continue to look to add more electives for our students to keep them on track for graduation with their credits
- Students are currently taking all their major subjects including Math, Science, History, and English. Students are also taking a business and language elective

FACILITIES:

The GHS custodial staff have been a great support working around us and the additional classrooms we have been utilizing.
