INSTRUCTION / STUDENT NOTES:

- As of March 31, 2025 there are 26 high school students attending AEHS full time and three Bowe School Student.
- With the end of the Third Marking Period we were able to transition 4 high schools students and one middle school student back to the day school programs.
- We continue to meet on a monthly basis with the CST and High School Administration working to provide a smooth transition to and from the High School Program
- We have made progress and are still working towards getting our students in Powerschool.
- AEHS students are currently using the Yondr pouch to secure their phone
- Paper Report Cards/Progress are being mailed out to all parents to update them on attendance and grades.
- Transportation has been a great help getting our students here on time and safely back home.
- Students are currently taking all their major subjects including Math, Science, History, and English. Students are also taking a business, music and language elective.

FACILITIES:

The GHS custodial staff have been a great support working around us and the additional classrooms we have been utilizing.
