INSTRUCTION / STUDENT NOTES:

- As of April 30, 2021 there are 16 students enrolled in the AEHS program, 4 have an IEP.
- We have moved to 4 in-person days following the same procedures as day school. We have seen an increase in inperson attendance with this change.
- Teachers and administrators have been in Webex meeting room each night to assist students as needed. As well as in person to meet with our students attending in that way.
- Students are monitored for attendance through the Webex meeting room, APEX work progress log, and email contact.
- New staff were approved this month to accommodate certification and state reporting. We are still awaiting them being added into Powerschool so they can be assigned courses.
- We still need a course or added to Powerschool to accommodate how students are scheduled.

FACILITIES:

We continue to communicate with Mr. Booth in regard to changes to our schedule as they might impact the custodial staff.
