BULLDOG PRIDE

- Dr. Castro organized and implemented our very first *Immigration Simulation* for our 3rd grade students, hosted by our district's Gifted and Talented Students. Areas of our building were set up to look like Ellis Island. Classrooms traveled around, with a "new identity", to learn and experience what it was like to come to Ellis Island.
- Rowan University's Men's Basketball Team has started visiting Bullock School during our lunch blocks. They stopped by for the first time with their coach last week. They walked around the cafeteria talking to students. Our students were very excited to have them there. Thank you to Mr. Hagerty for organizing this!
- CITRS - Our 5th grade mentor's met with their first grade buddies for their monthly event, where they competed in *In It to Win It Games*. The students and staff enjoy these events each month, this one was definitely a hit!
- Mrs. Dominy's class visited the *Inclusion Coffee Shop* in Elmer. This trip helped students see first hand what it takes to run a coffee shop. Not to mention, they tried some delicious cookies while there. The class received a grant for starting a Coffee Cart business at Bullock. This will give our students hands-on experience and practice with social skills.
- 5th Grade students participated in an assembly where expectations/ information was discussed for the Camping Trip and DARE Graduation. Information was also sent home to our families.

UPCOMING EVENTS

- 2/21 - Our African American Read-in
- 3/4 - 3/ 8 - Read Across America
