BULLDOG PRIDE

- Students at Bullock have the opportunity to participate in a Talent Showcase each month for our Bulldog PRIDE character virtue of the month. Our students are able to select from a variety of projects including performing songs, completing comic strips and writing stories about how they demonstrate character. This month we are focusing on *Positive Attitudes*. If you stop by Bullock School you can see the projects displayed on the Character Showcase Bulletin Board in our main hallway. We also share student projects during our Live Stream morning announcements each month.
- Fifth and first Grade students participated in their monthly mentoring event where students played Minute to Win It Games. Our fifth grade student council attended our monthly character meeting and shared ideas they thought their first grade buddies would enjoy.
- To celebrate African American History Month, students in grades 3–5 created projects recognizing influential African American leaders and changemakers. These projects will be displayed schoolwide, and our upper elementary students will take on a leadership role by teaching younger students about their learning during the February 25 performing arts ceremony.
- The 1st to 3rd grade students danced the night away at our PTO sponsored MVP dance! We had a wonderful turn out.
- We had over 40 staff members volunteer as mentors for the students in our building. Students were invited to participate in this mentor program based on feedback they shared in a schoolwide survey about their experiences at school. The goal of this survey was to better understand student perspectives and ensure all students feel supported, connected, and successful. Participation in the mentor program is meant to strengthen relationships and provide an additional layer of encouragement for students.
