BULLDOG PRIDE

- Our student council representatives had the opportunity to participate in our planning meeting for our Spring Family Night. Students worked with our Character Champions team to create activities and stations for our families to participate in. They will have the opportunity to play board games, participate in team-building activities, and create art activities all centered around character education.
- Our school received Honorable Mention as a result of our interview for becoming a School of Character. While we did not earn the designation we were striving for, we are incredibly proud of the progress we have made. We remain committed to continuing this work and strengthening our efforts through collaboration with staff, students, and families to foster a culture rooted in strong character and shared values.
