BULLDOG PRIDE

- The 5th Grade Camping Trip took place on May 28th and provided students with a memorable opportunity to learn and grow outside of the traditional classroom setting. Throughout the day, students participated in a variety of outdoor activities designed to promote teamwork, communication, problem-solving, and leadership skills. The experience encouraged students to build stronger relationships with their peers while developing confidence and resilience through new challenges. It was a fun and rewarding experience that created lasting memories for all who attended.
- Field Day was a tremendous success, providing students with a fun and engaging opportunity to celebrate teamwork, sportsmanship, and school spirit. Students participated in a variety of activities that promoted collaboration, and positive peer interactions. Thank you to our staff, volunteers, and families whose support helped make the day enjoyable and memorable for all.
- Our 5th grade students did an outstanding job serving as tour guides during the Kindergarten visit. They welcomed our youngest learners with enthusiasm, helping them explore the school while modeling kindness and leadership. This experience provided a meaningful opportunity for our 5th graders to mentor younger students and helped our incoming Kindergarten students feel excited and comfortable about joining our school community.
