Educational Happenings & Community Involvement Activities

- The Bullock students participated in a schoolwide drive to support the Gloucester County Animal Shelter.
- Field Day 2016 was a great success & the weather was beautiful! Parent/Community volunteers came out to help run activities & the students had a fantastic time. Thank you to Mr. Bittner for organizing the event & to Mr. Sole for his support!
- Once our spring benchmarks were completed, the Bullock staff assisted in developing class lists for the 2015-16 school year. The staff, they did a fantastic job. Each step of this process is outlined below:
 1. Classroom teachers meet to place students into groups based on reading level, demographics & behaviors. Dialog takes place throughout the process regarding individuals so that each student receives a teacher best suited to his/her personality.
 2. A second meeting takes place with BSI, Specialists, Nurse & Counselor to review the lists. A classroom teacher is also present to monitor academic student groups as any changes are made.
 3. The final list is reviewed over the summer by building administration.
- Spring benchmarks have been completed & have been aggregated. See below for our growth...and stay tuned for the August EOY presentation and Board Report!
