### Educational Happenings & Community Involvement Activities

- Field Day 2018 is coming up! Parent/Community volunteers came out to help run activities & the students had a fantastic time. Thank you to Mr. Bittner for organizing the event & to Mr. Sole for his support!
- Spring benchmarks are completed and the Bullock staff assisted in developing class lists for the upcoming school year. The staff did a fantastic job. Each step of this process is outlined below:
  1. Classroom teachers meet to place students into groups based on reading level, demographics & behaviors. Dialog takes place throughout the process regarding individuals so that each student receives a teacher best suited to his/her personality.
  2. A second meeting takes place with BSI, Specialists, Nurse, and Counselor to review the lists. A classroom teacher is also present to monitor academic student groups as any changes are made.
  3. The final list is reviewed over the summer by building administration.

### Committee Updates & Professional Development

- Team/Faculty Meetings & Data Review
  - Development of class lists
- Bulldog Buddies Meeting
  - End-of-Year Data Review
  - Reflections & Fall Planning
- PTO Updates
  - Planning for Fall
  - Principal's Report
- Professional Development (see Monthly Report)

## ADDENDUM TO NURSE MONTHLY DATA REPORT- DELINEATING SOME SPECIFIC INITIATIVES

Nurse: Marian Dunn, R.N.

Date: May, 2018

5/18 Called to child medical provider re: parent report of chicken pox to confirm, in preparation for what protocols would need to be followed at school. Upon further investigation, chicken pox diagnosis not confirmed
5/18 Coordinated and ensured completion of two CPR/AED training classes by 2 different providers to ensure district compliance with Janet's Law. Communicated with Board office to ensure payment for provider/ CPR cards
5/18 Outreach to school nurses re: students who have newly transferred into our school to get medical information and discuss student concerns
5/18 Multiple outreach attempts to medical provider, NJIIS for a Spanish- speaking student/family who has transferred into our school from out of country to acquire mandated vaccines and mantoux test and mantoux test results. Communicated with teacher to outreach as well and sent letters home in English/Spanish in efforts to ensure child would not need to be excluded from school due to incomplete medical records and requirements for school attendance.
5/18 Outreach two parents of two students with ongoing hearing concerns to ensure follow up with medical providers to address hearing issue.
5/18 Multiple contact attempts to Gloucester County Emergency Management in efforts to get training information on "Stop the Bleed" programs, as has been recommended. Reviewed literature on this topic and discussed at District Nurse Meeting and with MERT team. Have not been successful at this time in contact and discussion with county representative.
5/18 Sent letters home for students who are not able to be appropriately screened for vision and hearing, possibly related to comprehension concerns in effort to have child screened by private medical provider. Outreached to CST on this as well, as some students have been unable to pass these screenings consistently.
5/18 Collaboration with teachers re: possible DCP and P concerns and assisted in initiating calls for individual students
5/18 Review of current Sports Physical policy in collaboration with GHS Nurse in attempt to better clarify mandates and help to ensure district incompliance. Recommendations to be made related to club sponsored sports activities and educational information requirements
5/18 Communication to district nurse re: current supply ordering process to be used for end of school year. Obtained clarifications as needed related to this
5/18 Ongoing communication with parents of children who have been hurt/injured at school.
