Educational Happenings & Community Involvement Activities

- Opening Day: Thanks to our wonderful staff, *Opening Day 2018* was one of the smoothest openings in Bullock history! The Bullock faculty is already teaching, collecting data and modeling routines...we are off to an excellent start!
- Opening Day In-Service opportunities provided to our staff were meaningful and relevant. Topics included information on our ELA programming, team building, and beginning our focus on trauma/SEL.
- Our “expectation role-plays” for the *Bulldog Buddies* Schoolwide PBS routines will take place during the week of 9/10.
- For the first time, Bullock opened the school year with a pep rally complete with some team building games and motivational activities for our students. It was an amazing way to start the year and we will definitely continue with this routine in the years to come. Thank you to our Special Areas Teachers for putting it all together!

Committee Updates & Professional Development
